LANGUAGE SYMPOSIUMS & GLOBAL DINNERS

Oreha Global hosts a series of Language Symposiums and Global Dinners for our community.

Embracing **beginners, intermediate, and fluent speakers**, we trade formal classes for spontaneous connections, centered around speaking (imperfectly), practicing (openly) and building connections over a shared love of language. If you're looking for a language partner, a new group of friends to practice with, or just looking to be immersed in a night of language - join us!
